### **Class Description:**

Learn to make cornerless cubes with intricate patterns using peyote stitch and Miyuki Delicas. Instructions will include row by row details for the seven beads shown plus blank charts for you to create your own patterns and increase or decrease the size of the bead. Students must know even-count circular peyote stitch with a step-up at the end of the row.

**Supplies:** a total of about 4 grams of size 11 cylinder beads per bead; two to five high contrast colors may be used; Nymo D thread from a bobbin; size 10 beading needle and lighter.
